Quotation list

| Model No. | Photo | Product name | Specification | Unit price (\$) |
|-----------|---|--|---|-----------------|
| PU46 |  | Portable black and white ultrasound with convex probe | 12.1-inch high resolution medical LED monitor with 90 degrees rotation Two activated transducer connectors Auto-freezing function Imaging function: B zoom One key full screen function | \$2,465 |
| CU28 |  | Portable color doppler ultrasound with convex probe | 12 inch LED monitor, 3.5Mhz convex probe, 2 probe connectors, hard disk, battery , DICOM 3.0 B,B/B,4B,B/M,M,PW,B/C,B/C/ D,B/D, duplex, triplex, CFM, 4D | \$6,715 |
| CU46 |  | Trolley color doppler ultrasound with convex and linear probe | 15-inch high resolution medical LED monitor and optimum view 8.4-inch excellent sensitivity LED touch screen Four activated transducer connectors Standard configured gel heating cup | \$11,900 |

| | | | | |
|-----------------------------------|---|--|---|-----------------|
| <p>Sonoscape E1</p> |  | <p>Portable black and white ultrasound with micro convex probe</p> | <p>15.6-inch widescreen LCD monitor Resolution: 1920*1080 Display Format: B, Dual (B+B), Quad (4B) Gain: 1-255 adjustable Frame Rate: up to 60 fps (Probe dependent) Gray Shades: 256</p> | <p>\$6,460</p> |
| <p>Sonoscape E2</p> |  | <p>Portable color doppler ultrasound with convex probe and linear probe</p> | <p>15.6" High Resolution LCD color monitor Two transducer connector USB 2.0/Hard Disk 500 G Standard Battery Imaging modes: B/ 2B/ 4B/ M/ CFM/ PDI/ DirPDI/ PW</p> | <p>\$11,850</p> |
| <p>Sonoscape S2</p> |  | <p>Portable color doppler ultrasound with micro convex probe</p> | <p>15" High Resolution LCD color monitor Built-in Li-ion Battery Two transducer connectors USB 2.0/ Hard Disk 500 G ECG Module</p> | <p>\$11,560</p> |
| <p>Sonoscape S8</p> |  | <p>Portable color doppler ultrasound with cardiac probe</p> | <p>15" High Resolution LCD color monitor Built-in Li-ion Battery Two transducer connectors USB 2.0/ Hard Disk 500 G ECG Module</p> | <p>\$15,470</p> |
| <p>Sonoscape S8exp</p> |  | <p>Portable color doppler ultrasound with cardiac probe</p> | <p>15" High Resolution LED color monitor Two transducer connectors USB 2.0/ Hard Disk 500 G Built-in Battery Adaptor</p> | <p>\$24,310</p> |
| <p>Sonoscape S9</p> |  | <p>Portable color doppler ultrasound with convex probe and linear probe</p> | <p>15" High Resolution LED color monitor Two transducer connectors USB 2.0/ Hard Disk 500 G Built-in Battery Adaptor</p> | <p>\$30,600</p> |

| | | | | |
|---------------------------------|---|---|---|-----------------|
| <p>Sonoscape S11</p> |  | <p>Trolley color doppler ultrasound with convex and linear probe</p> | <p>15" High Resolution LCD color monitor 3 transducer connectors DVD-RW/ USB 2.0/ Hard Disk 500 G</p> | <p>\$14,620</p> |
| <p>Sonoscape S20</p> |  | <p>Trolley color doppler ultrasound with convex and linear probe</p> | <p>18.5" High Resolution LCD color monitor and 8" touch screen Four transducer connectors DVD-RW/ USB 2.0/ Hard Disk 500 G ECG Module B/ 2B/ 4B/ M/ THI/ CFM/ PDI/ DirPDI/ PW/ HPRF/ CW</p> | <p>\$18,700</p> |
| <p>Sonoscape S30</p> |  | <p>Trolley color doppler ultrasound with convex and linear probe</p> | <p>19" High Resolution LED color monitor 10.4" High Resolution Touch Screen Four transducer connectors One CW transducer connector DVD-RW/ USB 2.0/ Hard Disk 500 G ECG Module</p> | <p>\$27,540</p> |
| <p>Sonoscape S40</p> |  | <p>Trolley color doppler ultrasound with convex and linear probe</p> | <p>19" High Resolution LED color monitor 10.4" High Resolution Touch Screen Four transducer connectors One CW transducer connector DVD-RW/ USB 2.0/ Hard Disk 500 G</p> | <p>\$31,620</p> |
| <p>Sonoscape S50</p> |  | <p>Trolley color doppler ultrasound with convex and linear probe</p> | <p>21.5" High Resolution LED color monitor 12.1" High Resolution Touch Screen Five transducer connectors DVD-RW/ USB 3.0/ Hard Disk 500 G ECG Module</p> | <p>\$44,200</p> |
